Our Savior Lutheran Church

Feb 4th

In early 2024 we're focusing on our "Human Care" Ministries:

We're looking to develop our Human Care Ministries and form (or re-form) some opportunities to connect with each other.

Can you visit someone for a chat over coffee? Can you host a dinner? Would you attend a dinner at someone else's house? Want to be part of a movie outing? We're looking to help coordinate ways for our people to support each other.

Supporting and encouraging each other is healthy!

Conversations are an important part of being church! We're looking to help connect YOU with others for conversations.

Maybe you serve in a role at worship... maybe you generously donate for seasonal giving opportunities... we're looking to address something different with this focus. Would you be willing to visit or be visited and just chat with other members?

Possibly... you're willing to visit someone and chat but just need to get connected... that's where we can help.

Special Focus for this Month:

'Coffee with a Member'.

We'll connect you with another member so you can chat over a cup of coffee/tea (even if you don't know them well!)

Can you visit a homebound member and bring them a cup of coffee or tea. Or... be willing to have someone come by your home.

This month we're focusing on connecting our members for chats over coffee! **YOU CAN DO THIS!**

To get connected, or ask more info, see Diane at the Communication Station outside the Library

Role of “Elder”: Last Sunday’s Ministry Moment explained the ELDER role at our church home. There is a handout in the lobby explaining the difference between the biblical office of Elder and our humanly instituted office.

A special THANKS to Mark Werner for many years of service in this role. Mark has stepped aside because the Werners are traveling to see grandkids a lot these days and this role. Pastor Joe will be addressing the number of people on the board in the upcoming months. The Board of Elders is not rotating on 3 year terms as done in the past.

Our church is a strong advocate for the cause of LIFE!

Our Savior is currently hosting a fundraiser to support “Your Options Medical”.

This pregnancy center in Revere does great work to support young mothers with information, free testing, and baby care. We are proud to help support them. Help us raise funds for this life-giving, life-saving work! **You can pick up a baby bottle to fill with cash, change or check, as we stand together for life and support a program that helps women and their babies.**

Bottles/donations are due today SUN, FEBRUARY 4th

Checks can be made to “Your Options Medical”

LENT 2024 plans! Ash Wednesday Worship is Feb 14th! Then every Wed night in Lent we’ll have a candlelight prayer service held in the LOFT. at 6:30. There will be a prayer, singing, and teaching on Psalms each service.

Pastor Joe will also host a daily ZOOM “Evening Devotion” at 6:30 on Mon, Tues, Thurs, Fri. You can pray, sing along at home with the service and Pastor will read chapters of Ezekiel.

We’re in a 2 Sunday Sermon Series and Adult Ed class on what it means to live with FREEDOM as a disciple of Jesus. *What does it mean to be free?*

What am I free to do? We hear about “loving” everyone... just as they are. Is that what God asks? Do I stay away from what I think is sin? Do I accept sin in the world around me? If I feel it... is it true? Do I just follow my heart and all will work out? What does it mean to follow Jesus... and be free?

Ponder: *How does “being God’s image” impact your freedom?*

What did Christ say we are to pray about concerning “will”?

Does my faith walk clash with the world around me sometimes... why? Why not? What do I do when there is a clash?

We’ll hit more verses in Adult Ed at 9:30 each week
