## BOOK GROUP for PARENTS (and grand-parents) of children and teens

Our Family Life Ministry is excited to offer a “book group” based around the book, **Habits of the Household** by Justin Whittle Earley! We are encouraging parents to pick up a copy over the next couple of weeks and read at your own pace. (\*some copies can be found in the lobby)

**We hope you will join us at church for a Potluck and Book discussion on Saturday, April 27 beginning at 4:00 p.m.**

Childcare will be provided for the evening.

*Although this book group is geared towards parents, it is open to all! We encourage grandparents and anyone with children in their lives to join us!*

## Can you donate some yarn? ...and be a blessing!

Help bless incarcerated women who are making blankets for others. This is a way these women are giving to others. They make blankets for family members, friends, veterans, and animal shelters. We are looking to help supply some yarn for their projects.

You may drop off yarn on or before **Sunday, March 24**. There is a bin in the lobby where you can leave your donation.

\*\*The yarn will be presented to the ladies at **Women in Transition in Salisbury** as a gift at their Easter Breakfast and Worship gathering on Easter Sunday morning.

Questions? Contact Kathy Kishbaugh

**Thank you for serving!**

\*When you send out a request for replacement, it looks to them like a personal note from you. Know that it goes out to all who serve on the team.

## Membership at Our Savior

*Members make a commitment to each other... to be there... and share their lives with others "as church"*

**Our church home is made up of "members" who commit to "BEING" Our Savior Lutheran Church.** We form ourselves around a shared truth of who Jesus is, and what it means to live as His disciples. We gather for Him to feed us with His Word and Sacrament.... together. All the ministries, care, and funding of **Our Savior** is done by our members as a team. This is a healthy way to steward our lives and blessings together as His Church.

**Pastor is coordinating a "New Members" class for April.** Let him know if you're interested, or if you have any questions.

Commitment to a church family is healthy!

*I've received interest from 5 people so far interested in membership here. Each "class" for membership is custom and unique. Some people come from a Lutheran background, for others might want to meet one to one for a little more catechesis.*

*The 1st session is planned for **Sunday April 21st** after the Unity service for a "lunch meeting". Interested? Love, Pastor Joe*

**Can YOU help recruit...** for our Praise Band? **You DON'T play an instrument... but....** Ask someone at a school... ask a neighbor... see if a musician you know can play once a month! We have a "pool" of musicians. Your teamwork is needed to have a "band" moving forward into next year.

**As Jesus disciples... we look for opportunities to talk about Christ, and what He means to us!**

## NAVAJO Mission thoughts

**Frank S. is coordinating a mission trip to Navajo, NM for this summer... here's a note from him**

*Hello sisters & brothers in Christ,*

I write to begin planning for a possible July 2024 trip to the Navajo, to spend time with, encourage and support Pastor Tim & Heidi, Leslie & Phillip at Shepard of the Valley in Navajo, NM. How we might we be of benefit with a Mission's trip to the Navajo? Perhaps we provide a vacation bible school program, to help make the people aware of Gods' story of love for us, which is always welcome & eagerly anticipated by members of the church and children in the community. We also can be of help to the church and the people by assisting with ongoing maintenance projects, on the church property and out in the community.

**When?** We are focusing on traveling during the second week of July, but these dates are flexible if the group decides otherwise. We are planning a week long trip. If you are interested in going and can identify dates and times which work for you and do not work for you throughout the month of July, please provide feed back via a reply.

**Costs?** We in the discovery phase. Expenses are for airfare, hotel, rental cars/vans, etc. There are a variety of housing options. Either staying on the church property's two houses, thus saving hotel expenses. Or staying at the Quality Inn in nearby Window Rock, for those wanting their own private time. All these details to be worked out and discussed.

**Prayerfully consider** how God is calling you this season, and reply with your interest by March 1st. Blessings to you and our efforts to bring the love of Jesus to the Navajo!

*In His name, Frank*

**Card and Prayer** we meet this Wed morning at 10 am in the "Library". Please pray about coming out on Wed. and joining us... We'll spend some quiet time in prayer... and write cards!

You can do it... come and join in!
