Thank you for serving!

*When you send out a request for replacement, it looks to them like a personal note from you. Know that it goes out to all who serve on the team.

Can you donate some yarn? ...and be a blessing!

Help bless incarcerated who are making blankets for others. This is a way these women are giving to others. They make blankets for family members, friends, veterans, and animal shelters. We are looking to help supply some yarn for there projects.

You may drop off yarn on or before **Sunday, March 24**. There is a box in the lobby where you can leave your donation.

The yarn will be presented to the ladies at **Women in Transition in Salisbury as a gift at their Easter Breakfast and Worship gathering on Easter Sunday morning. Questions? Contact Kathy Kishbaugh (4Kishbaughs@comcast.net or 978-85 7-6915)

Membership

Our church home is made up of "members" who commit to "BEING" Our Savior Lutheran Church. We form ourselves around a shared truth of who Jesus is, and what it means to live as His disciples. We gather for Him to feed us with His Word and Sacrament.... together.

All the ministries, care, and funding of **Our Savior** is done by our members as a team. This is a healthy way to steward our lives and blessings together as His Church.

Pastor is organizing a "New Members" class to start in early April. Let him know if you're interested, or if you have any questions. Commitment to a church family is healthy!

LENT opportunities for 2024!

Wed Worship at 6:30PM in the LOFT.

This is a candlelight worship, sitting at tables in the Loft with prayer, singing, and teaching on a different Psalm each service.

BOOK GROUP for PARENTS of children and teens

Our Family Life Ministry is excited to offer a "book group" based around the book, Habits of the Household by Justin Whittle Earley! We are encouraging parents to pick up a copy over the next couple of weeks and read at your own pace. **We hope you will join us at church for a potluck and book discussion on Saturday, April 27 beginning at 4:00 p.m.** Childcare will be provided for the evening. *Although this book group is geared towards parents, it is open to all! We encourage grandparents and anyone with children in their lives*

Getting Involved in Music Ministry

...even if you're not musical!

Singers and Bell Ringers wanted -

CHOIR: What's Involved?

attend weekly hour long rehearsals following our Lenten services—join in with singing/song leading beautiful Palm Sunday, Holy Week, Easter music! *(Yes, must be able to sing on pitch for this)!*

HANDBELLS: What's involved?

must be able to have a fairly good sense of rhythm and read two or three consecutive music notes on the staff. We can promise you a wonderful time of making music and friendly fellowship—and sometimes cookies!

Please check in with **Wendy at 978-290-2055 or wwb-voice13@gmail.com** if you can join in for these ministries above!

Praise Band Members Wanted -

We have a pool of musicians that play guitars, drums, keyboards, and sing to form our "band" for Sunday 10:30 worship. Some can play once a month, or more depending on schedules. So, the bigger our pool of musicians the fuller our schedule can be. Here's 2 ways for you to help us have a contemporary worship service.

(1) **Possibly YOU can play an instrument or sing...** you're invited to join in and see if it works for you.

(2) **You can help recruit!** Do you know a high school student or neighbor that plays and might be interested in a fun gig? Having a bigger "pool" of musicians allows for a commitment of once or twice a month. YOU asking if someone can play is a big help! Many performers started off playing and singing at church. **Invite someone... to speak with [Rob robsiev@gmail.com](mailto:Rob.robsiev@gmail.com) or Pastor Joe**
