

Weekly NEWS

YOU are Our Savior Lutheran Church in 2024!

July 21st

Today after Worship in the Loft! The Navajo Mission Team is presenting about their adventure.

This group was commissioned here at worship, we partnered with them in prayer, we saw pictures... and now we get to hear the stories of their adventure.

Come hear about their experience of being part of God's Church on this mission trip to Navajo Nation.

Grab a coffee... and gather in the Loft right after worship.

Navajo Nation Trip 2024

Our MegaArts and Sport Camp

is August 6-9th! / Tues—Friday / 9am—2pm

Options for helping out in the week before camp:

Grounds and facility prep we'll get the grounds ready for 70 kids to be here. Some temporary fencing is put up, some extra landscaping, soccer nets and basketball hoops rebuilt... etc.

Prepping for Crafts: there will be hands on prep work to get crafts ready for the various sessions.

This camp week is a super opportunity that we have to team up and make good connections with our community!

Able to help in some way? Contact Kerry... kerrytrun-fio@oslcm.com Please WRITE DOWN YOUR NAME on kiosk!

July 28th training after worship: Mega Arts and Sports Camp is considered a "camp" by the state and thus there's lots of paperwork and guidelines to make sure and do correctly. If you are involved at camp week... there is a 30 minute "training" requirement available in the loft right after worship. Please email Kerry if you can't make it and we'll try and schedule a ZOOM option prior to camp.

Sound of Hope Movie: *is there interest in going to this movie as a group?* Use the communication board if you'd like to set a time and place to meet for watching this and having a bite to talk it over. (Communication board is outside the library.)

We'll keep the **OPERATION SHOEBOX** collection display up while still gathering some of the suggested supplies. Check out the display and suggested list... it's a good time for prayer while your shopping!

Blessed... to be a blessing!

More Food/Discussion events ahead: The recent Food/Workshop on the "***Intersection of Church and State***" went well. We had 22 people attend and discuss "being disciples". It's healthy to explore topics of the world and your faith walk at your church home. Pastor and Kerry will plan out more of these "one night" food, fellowship and discipleship talks for our fall schedules on a variety of topics.

Local: Smoke detectors and CPR opportunities

Topsfield Fire & Rescue is having a 'Sound the Alarm' campaign **July 27th 9AM-1PM**

They are installing smoke detectors for FREE.

Interest in CPR—AED Training? I am looking to schedule a time to have the Topsfield Fire Dept give us a familiarization class on **CPR and using the AED** (*situated next to Men's Room*) A few members are currently certified but we're looking to increase knowledge of CPR and the heart saving AED defibrillator .

Please let Diane know if you are interested office@oslcm.com

If you would like to become CPR certified you can now take it [online](#)

Some Tidbits and Updates

➔ **Coffee Donations Option:** Buying the cups, lids, coffee pods, coffee for pots, and the water all contribute to the cost of our fellowship coffee time. There is now a clear donation box by the coffee that you can drop something into occasionally to directly support this ministry.

➔ **Our FaceBook and YouTube use:** Did you know there are new sermons posted weekly, and pictures from various church activities?
 If you haven't liked and subscribed... *please do so!*
 *Thanks to Scott for helping out*

We'll continue to use these social media platforms more and more in the days ahead for communications, updates, and Christian growth interactions. These can always be accessed easily from the ICON links" on our church web site.

www.oslcma.com

➔ **The church web site** also has a new "picture block" of "Life at Our Savior" on the home page. Check in and see new pics every couple weeks.

➔ **Park Update:** We've had delays with getting the landscaping for the patio area done. Please know the plans for a "finished park" with sitting areas and kid friendly play structures is very much still in the works. Right now, please be aware there are ground bees in this space. It will be treated by our insect/extermination service soon.

New water Filter System in Parsonage: thanks to Steve King for coordinating this.

Arthur LeBlanc recently hosted a video/bible study with Newburyport Senior Citizens. *Thanks Arthur*
