MidWeek Connect and Lent

Our goal was to do “something special” this Lent in our walk as disciples.

The MidWeek Connect program has met the goals of increased fellowship opportunities, and opportunities for education/growth! We’ve averaged 67 people in attendance in the Loft every Wed night. Thanks to all who pitched in to make this special, especially... Dian K, Ann N, Steve K, and teachers Kim and Kaitlin Reale and Kerry and Joel. Hopefully the SHEMA holds a special place in our lives after this Lent!

FOOD “Love Offering”: ...some have asked if they can contribute to the food costs. This is not required but there will be a “donation bottle” at next Wednesdays meal or you can use an Offering Envelope and mark it MidWeek Connect Food if you’d like to help contribute.

It certainly was a “special” Lent program together!

Vision Team Updates The Vision Team continues to meet and have discussions about the opportunities for our church home to impact the world for Christ here on the North Shore of Boston.

What do we envision as possibilities for ways to engage the world around us with the Good News?

What types of efforts will impact souls for Christ?

Many of our flock have great ideas to share, please know that there will be a **Congregational Meeting 4/27** with updates and an opportunity to express ideas, AND... you'd like to send them in now, you are welcome to email President Adam Bonnette and he'll compile them.
