Please include a hand written note and \$10 in your box to help cover the cost of shipping. Please also return your box still open so that we can place a devotional in the box once it is returned.

Our Mission together at Our Savior Lutheran Church is to be...

Disciples of Jesus Christ

Growing in faith, love, and numbers

How do you see yourself immersed and invested in this mission!

Your Ideas are Important The Vision Team has been discussing the overall mission and vision of our church home here on the North Shore of Boston and into lower NH. What are the demographics of the communities around us? How can the life-saving Good News get connected into lives? What are the concerns.. and the interests of a whole younger generation. How does "church" intentionally seek ways to go out and engage people where they are at? Where do we focus our attention and efforts?

Your ideas in these early stages of planning are important.

You can send ideas, thoughts, to Adam Bonnette at any time in this process. We're also having a meeting after worship on **April 27th** (a 9:30 Unity Service) to give more opportunity to share your ideas.

The Vision Team will share a short summary of the many hours of discussions with the consulting team and the planning thoughts of our Mission and Vision as God's Church in a ripe mission field.

A "Vision" has a Focus: *here's some thoughts moving forward... concerning connecting the "Vision" to our efforts.*

If we value something in line with our Vision...

How do our Building and Grounds reflect that?

How does staffing and ministry focus reflect that?

How do budgets reflect that?
