Card and Prayer Ministry...

meets this Wed morn at 10am. We'll be praying for our flock, our neighbors, and people that you ask us to pray for. Also, we send cards with notes of encouragement and kind words. You can partner with this ministry by using the green sheet to share a name or prayer request, make sure to share an address if a card is to go out.

You're invited to join in... meet in the Library 10am. Wed

"Drop Spot"... for Worship Guide and Covers

after worship the guides and covers can be dropped in the basket on the floor against the glass sliding door, to the right as you exit.

We reuse the "themed" covers for a whole season

Missions Update

Partnering with "Samaritan's Purse—

Operation Christmas Child—Shoebox Program

Thanks you to our church family... Last Nov. Our Savior Lutheran Church connected 133 children with our shoebox gifts and prayers. Thru Samaritans Purse those boxes went to Ecuador, The Philippines and Botswana, literally around the world, all in the precious name of Jesus. For most of these children, and also their families, it was the first time hearing of our Jesus.

We are blessed with this opportunity to bless others, look for more info and updates throughout the year as we organize this year log program to send out boxes at Christmas-time. Thank you *The Shoebox Team*

Our new Missionary Partners in Jordan

A Note from Megan & Jaun in Toledo

To Our Savior Lutheran Church

What a blessing you all are!!! Thank you!!!!

We are Juan and Megan Toledo. We are missionaries serving on a team with 6 others plus three children in the city of Salt, which is in the north of Jordan. My uncle and aunt will share more in a few weeks.

Just a little about our team. Our team vision: To see a movement to Christ of transformed and committed believers in Salt and among the tribes of the Gilead. Our team mission: to fully invest and engage in the community through various platforms using our gifts, talents, and passions to see a Church Planting Movement take place.

Our main focus is sharing the Gospel, inviting people to study the Word and seeing them share with their families and communities.

We are the only foreigners in our city of 100,000 - we live and do all of our work in the local language (Arabic) but there is a great need for English courses to be offered. After many months we are finally opening our own platform in Salt, with the hopes of blessing the city. We are opening a training center/cafe/co-working space in the downtown area. We will offer training on the second floor and work space with a coffee shop on the first floor. Our building dates back to the Ottoman period, so she needs quite a bit of work :). We love where we live, the local Salties and the wildly different culture that surrounds us! We are looking forward to partnering with you all! We are so thankful for your continued prayer for us and now for the blessing of your financial support. We are so, so thankful!!!

His peace, Megan and Juan
