Music Updates

Choir and bell rehearsals joyfully resumed this Wednesday and will continue throughout June . Always interested in new singers joining in! Please consider.

You can give a big hug and a thank you to choir members for all their dedication!

Choir meets at 7 PM on Wednesdays.

Last Singing Sunday is June 22!

Music Ministry cookout is July 16 in Deffer's backyard. All who have been involved in music ministry in any way, and families are invited! More info later..

Fun Fact! The organ prelude this morning was composed by Frescobaldi who was considered the most famous, intelligent, and clever organist of the end of the 15th and beginning 16th centuries. His most important and longest employment was in St. Peter's Church in Rome and under the ducal court of Mantua. His works had an important influence on the art of his time. ...**Wendy**

Thank You, Rob!

Rob stepped in and has shared his skills by leading and coordinate the Praise Band this past year, and is now moving back to participating as a member. Thank You Rob... we have been blessed by your willingness to serve. The passion and kindness you've poured into this ministry is seen each week.

The Praise Band functions with a lot of teamwork and fun that is easy for us all to see. We are thankful for the reverence and prayerfulness that all of you bring to our worship time together. Much thanks to all of you

Our new Missionary Partners in Jordan

A Note from Megan & Jaun in Toledo

To Our Savior Lutheran Church

What a blessing you all are!!! Thank you!!!!

We are Juan and Megan Toledo. We are missionaries serving on a team with 6 others plus three children in the city of Salt, which is in the north of Jordan. My uncle and aunt will share more in a few weeks.

Just a little about our team. Our team vision: To see a movement to Christ of transformed and committed believers in Salt and among the tribes of the Gilead. Our team mission: to fully invest and engage in the community through various platforms using our gifts, talents, and passions to see a Church Planting Movement take place.

Our main focus is sharing the Gospel, inviting people to study the Word and seeing them share with their families and communities. We are the only foreigners in our city of 100,000 - we live and do all of our work in the local language (Arabic) but there is a great need for English courses to be offered. After many months we are finally opening our own platform in Salt, with the hopes of blessing the city. We are opening a training center/cafe/co-working space in the downtown area. We will offer training on the second floor and work space with a coffee shop on the first floor. Our building dates back to the Ottoman period, so she needs quite a bit of work :). We love where we live, the local Salties and the wildly different culture that surrounds us! We are looking forward to partnering with you all! We are so thankful for your continued prayer for us and now for the blessing of your financial support. We are so, so thankful!!!

His peace, Megan and Juan

Mission Trip to the Navajo Nation

July 7-14, 2025

Our church is officially planning for a mission trip to the Navajo Nation from July 7 to July 14, 2025, and we are asking for your support and prayers as we step out to serve.

This trip is an opportunity to build meaningful relationships, share the love of Christ, and assist with practical needs in the community. As the team prepares, we deeply value your prayers—for safety, strength, and that God would guide every step. Here's how you can support us:

- Pray regularly for the mission team and those we will be serving
- Consider contributing financially to help cover travel and ministry expenses
- Encourage and uplift the team members leading up to and during the trip

Thank you for standing with us in faith and support!

Contact Frank Sienkiewicz with any questions.
