Family Life Park—update and purpose

As we head into good weather and our outside resources might get used... this is an update on the plans and purpose for the Family Life Park.

Hopefully, it adds a space for interacting and being church together that is outside and user-friendly for all ages.

Purpose: This “park” is intended for small group gatherings, teen gatherings, an outside spot for conversations and coffee. At the same time being a safe, contained space for children to be in while adults can talk. Feel free to take coffee at fellowship outside.

Plans: The park has been built through donations outside of the budget, planned by the Park Committee.

The plans discussed by the Park Committee for the days ahead are to add some kid friendly play stations and some “memorial” pathways. All should happen this year.

Last Choir singing Sunday is June 22. If anyone is interested in sharing a vocal or instrumental solo or ensemble during the summer months, please talk with Wendy!

New England District Convention—LCMS Aurthur LeBlanc and Pastor Nollet will be at the district Convention Thurs—Sat in Springfield.
