Being Disciples of Jesus Christ
Growing in Faith, Love, Service, and Numbers

MEGA SPORTS AND ARTS WEEK is happening here AUGUST 4-7!

Praise God for the 66 children signed up for camp, and the opportunity we have to share the love of Jesus with them!

**** This camp cannot happen without all of you!**

Please speak with Kerry if you are able to help meet any of the following needs that we still have

Prior to Camp: Decorations Committee Sports Area Set-Ups
 Snack donations

During Camp: Sport Coaches Parking Lot help for safe arrivals
 Group Leaders and Assistants (especially pre-K)

(do you know a friend that can help? a teen... ? A neighbor...? Please ask. Thank You!)

CAMP VOLUNTEERS:

PLEASE PLAN TO JOIN US FOR A STAFF TRAINING ON SUNDAY, JULY 27
FOLLOWING WORSHIP OR TUESDAY, JULY 29 ON ZOOM.

If you are not able to attend either of these meetings, please let Kerry know

You will be receiving an email this week with necessary paperwork. ***We're requesting that this paperwork be returned and completed by Sunday, July 27.***

Inside... info about Kids during worship, usher news, woodchucks, and calendar dates.

Bits and Pieces...

We're Hiring! We're advertising far and wide for a couple of new positions! We've started the process of posting the position of (1) **Praise/Band Leader** and (2) an **internship for Marketing and Media Content Creator** (Gordon). Please email office@OSLCMA.com if you know of some good spots to advertise or of someone interested in the Praise Band Leader.

While you're shopping this summer... keep an eye out for supplies to donate to the **Madagascar Medical Missions Trip**. (blue sheet with shopping list can be found at the drop off spot is under the "Missions" TV.)

Buildings and Grounds:

- A woodchuck that has been eating away at the church and parsonage grounds was caught in a trap by the front door and transported to distant relatives
- The Family Life Park and surrounding area will be treated for ground bees and wasps and sprayed again this week before heading into camp week.
- Glass doors to the Sanctuary update: it seems that keeping the sliding glass doors to the worship space closed as much as possible is helping a lot with temperature regulation in worship. Thanks for the teamwork in this.

"Folders" Is anyone available to fold bulletins and News once a month. The Machains have been great about this, but can't do every week in the summer. Typically the printing is done midday Friday. Folding can be Friday late or Sat. Let pastor know if you can team up with this role.

Vacation: Pastor and Ann are away on vacation July 21st to July 28th. You are welcome to call with pastoral emergency calls.

Christmas Shoe-Box Display in the Loft: here's some of the things to shop for this summer... school supplies; crayons, pencils, pencil sharpeners, kids scissors, markers, stickers, marbles, and toothbrushes

WHAT IF?

July Sermon Series: 6th, 13th, 20th

God's Peace? But, what if....

- (1) I have real things to worry about*
- (2) my faith just doesn't seem strong enough*
- (3) other people are stealing my peace? ...*

In this sermon series we'll confront our own headspace and the lies we can tell ourselves about the adventures of living each day as a disciple of Jesus

CCB and "Scheduling" a note was sent to all Ushers about a scheduling change. There will now be 3 ushers scheduled for Sundays. For safety sake when 2 ushers are busy with offering or communion a 3rd person is still "on duty" as host and able to watch the lobby and front.

Fall Scheduling... We are planning a "Ministry Fair" for the end of August into the beginning of Sept. We'll be giving the chance to sign up for "serving roles", possibly switching your role and trying a new fit, and helping show the "block-out" system for controlling your scheduling.

KIDS CONNECTION WORSHIP: having something special for the kids during the adult sermon has been a positive for parents and kids.

So... Calling all that can be involved as "teachers and teacher helpers" to join the team of dedicated adults who love, teach, and care for our littlest souls.

Were trying to form a pool of people to share this new role throughout the year.

This isn't reproducing our Sunday School program of Kids Connection-Grow. It's about a 15 minute program (during the adult sermon) of some light, fun time with user-friendly Christ-centered material.

Please reach out to Kerry for more info. Kerry@OSLCma.com
