**It was a special Lent and Holy Week experience this year...** Midweek connect averaged 60 people a night. Palm Sunday, Holy Thursday, and Good Friday all had great reverence and relevance and good attendance. It was a meaningful time together as a church. Thanks to all who teamed up to make this all happen... **You are appreciated.** ...*Pastor Joe*

Being Disciples of Jesus Christ

Growing in Faith, Love, Service, and Numbers

April 12<sup>th</sup>

*This is our Mission together*

### Plugging In...

**You are a believer... it's awesome.** The Easter Season is a great time to enjoy the wonder of being someone that believes in Jesus... because HE IS RISEN. Now... you also get to relook at His call to be His disciple. When Jesus calls any of His followers to “come”... be His disciple... there are no examples in Scripture of someone being asked to “attend a church”, or to have a “personal faith” that didn't really impact the rest of life. Jesus calls each of us as disciples to walk down some new paths with Him... sometimes that might seem a little scary, or unfamiliar. But, it is actually part of being a believer. We have a **Mission Statement** for our church home. Read it slowly... ponder each part. How might this impact you? How does the word “Growing” seem to fit into your walk as a disciple? What are some new paths in front of YOU?

Is there a ministry that you can be involved with beyond “helping at worship”? In line with our **Vision Team assesement** we're looking to develop new ministries to our local community. Speak to Kerry about possibilities to partner and support local high school or college ministries, or start parent discussion groups, or... \_\_\_\_?

Having Bible Studies connected with our church home is a key part of our Mission Statement. Talk to Pastor Joe about the possibility of using your home for a Bible Study. Ask about ministries that you can “plug into” as part of growing as a disciple... “beyond Sunday” as we try and impact the world around us for Christ ...together.

## Planning to Use Church Space?

If your ministry is considering an activity in the Lobby or Luther Loft, please note that a master schedule is maintained in the church office to help avoid conflicts.

We ask that all groups coordinate with the office to confirm availability and timing before making plans. Contact Camile at [office@oslcm.com](mailto:office@oslcm.com) to submit your request.

We're happy to partner with you on setup needs and help share your event through News and Announcements.

To support all ministries, activities involving fundraising or requests for support are scheduled thoughtfully and coordinated alongside other ministry events.

Thank you for helping us plan well together!
