CCB Help Offered

Our church home uses CCB for communications, scheduling, a church directory, and recording your "Giving".

You can come on April 12th between services (9:30-10:15 AM) for a C.C.B. Support Session!

If you need help resetting your password, or learning how to use our church directory, and scheduling tool, we're here for you.

Lynne and Tucker will have computers open and ready to assist.

Please have a device (phone or laptop) with you in order to access your own email for any password resets.

Don't Go to Church!

As you step into the adventures of the days ahead... you have a great opportunity to live the journey of being a disciple of Jesus. He calls us to come... walk with Him... and center life on a relationship with HIM.

Be reminded that living as a disciple of Jesus isn't all about "going to church". He invites us to BE His Church. That isn't something we attend—it is something we live out... it involves our schedules... it involves growing... it involves "others".

"Being Church" just kind of happens... thru caring to listen to someone's concerns, thru sharing prayers, doing a ministry together, and especially in finding ways to grow in God's Word. Being Church means a commitment to others... yes, to gather with them for Worship. But also so much more.

You're encouraged to find NEW WAYS to grow in this adventure! Are there small Bible study groups to connect into? Are there ministry opportunities to be a part of.

God uses people... to impact the lives of other people... that's YOU.

Each day is an invitation to walk as a disciple of Jesus—listening for His voice, reflecting His grace, and serving with His love. Not perfectly, but faithfully. AND... not alone, but together.

So wherever this week finds you— remember: you carry Christ with you.

As "Our Savior Lutheran Church" we get to live that out, side by side, as His Church.

Enjoy the adventure.... Love, Pastor Joe

Planning the use of church spaces

As we plan the use activity in the **Lobby** or the **Luther Loft** there is a schedule kept in the office. There are some planning thoughts with all this so that double-booking doesn't happen. If your ministry is planning an activity you'll need to coordinate with the office for availability and timing.

Contact Camile at office@oslcm.com with your request for space.

We'll partner with you to help with set-ups and put communications into the News and Announcements.

Know that we space out ministry activities that involve asking for support/money so the timing of your ministry activity will be coordinated with the timing of other ministries concerns as well. Thank You

College Care Packages - Bridge Ministry

Our BRIDGE MINISTRY keeps connected with young adults from our church family. Finals can be stressful, but a little encouragement goes a long way! Stop by the lobby to grab a care package box, fill it with snacks, notes, small gifts, or anything that might brighten a student's day, and return it unsealed by **April 12**.

A \$10 donation to help with shipping is greatly appreciated but not required, every box is a reminder that someone cares.

Here's an opportunity to come together and send support, smiles, and a little joy to students during finals!
